

Birthday Party COVID-19 Protocols

What are we doing?

Reduced Numbers: Maximum of 12 kids and 2 adults per birthday party.

Sanitization: Everyone entering the PISE building will be required to sanitize hands. All equipment used and surfaces touched will also be sanitized in between uses.

Mindful Programming: Leaders will be facilitating games that avoid physical contact between kids (using equipment to tag etc.).

Staggered Timeslots: All PISE birthday start times will be staggered by 15 minutes to ensure parties do not cross paths.

What can you do?

- ✓ Fill out our '**Contact Tracing Form**' to provide a name and phone number for each child attending the birthday party.
- ✓ Read our '**Birthdays Frequently Asked Questions**' before attending a PISE birthday.
- ✓ **Prepare kids** for the party by explaining the PISE COVID-19 protocols before arriving.

Stay home if you ...

- Are **feeling sick**
- Have **traveled** outside of Canada within the passed 14 days
- Have been in **contact** with anyone with COVID-19
