

When I go to PISE...

I will play fun games with lots of equipment.

The gym is a big, open space...

that I can play with my friends in.

We may also go outside or to the playground.

**There will be time to rest and
have a drink and snack...**

and I need to listen to my leaders.

**After playing lots of games, it will
be time to go home...**

But I can come back next time!
